Andre, Quentin, and Miriam,

Please see the attached report from Yale. You may or may not have seen this one already. Would you be able to review it and give me your preliminary thoughts? Happy to set up a call if that's what you prefer. If I could get some high-level comments on Yale's report by 2:00 PM Eastern tomorrow I would be very grateful.

In addition, you will each be overnighted a binder that contain a handful of the substantive comments (e.g., Yale, APP, Endocrine Society) that will be appended to a 17-page document summarizing the Agency's responses/positions with respect to the points raised in those substantive comments. Please review those materials as well so we can discuss as soon as you are able this week.

Thanks,  
Jason
